PLEASANTON NORTH ROTARY

PRESIDENT'S MESSAGE

Fudd's Final President's Message!!!!!!!!!!!!!!!!!!!!!!

WOW!!!! What a year this has been in my life!!! Thank you PNR members for giving me the privilege and honor of being your Club President. This will be a year I will never forget in many ways. From experiencing the horrible events of 911 to the outpouring of goodwill amongst people to being recognized as one of the top 100 Rotary Clubs in the World have all helped make this such an unforgettable year.

The thing I am most proud of is our club's membership drive helping introduce so many new members into the Rotary world. I have always believed that if we can keep everything we do in Rotary "fun", people will come and good things will happen. We have surrounded ourselves with the best people in the world and have a common undisputed goal of "placing service above self", and because of this, Pleasanton North Rotary will continue to be recognized in the world of Rotary.

We don't do all of these wonderful things for the awards or recognitions, but because it feels right and Mankind is our Business. Keep that POSITIVE ATTITUDE displayed by so many members and nothing can get in the way of PNR. I am very excited about President Keith "Woody" Seibert and his next board. Please give Keith and his leadership team all of the great support you have given me this past year. PNR has not even tapped its full potential and I believe Keith will be able to take this Club to new highs, but not without EVERYONE's support. I believe the best is yet to come. PNR is the "Greatest Rotary Club in the World" and someday we may even be the "Best".

Thank you for the great year and all of your help and support!!

ON THE WEB WITH SGT STINGER

Hail to the Chief! Long live the King! Throw out the Bum! All wonderful salutations for our truly departing President...The Fudd! I'm figuring that he's got a good couple minutes of back-slapping, good job, well done sorta stuff before we began to treat him like the rest of our remaining Past Presidents....and that's either to forget who he is or ignore him! But a hearty well done (there's one cliché!) to the Fuddster for an outstanding Rotary year (there's another). Heaven and Earth were moved by your drive and commitment (another..) to make Pleasanton North Rotary the best Rotary Club (ok, what is it anyways? Best in Pleasanton? Alameda County? District 5170 or the World?) at the Pleasanton Hilton! You have succeeded beyond your wife's wildest expectations and my hat is off to you! Now go in peace! Go on....nope, don't pass GO and don't try to collect 200.00. Just go...thank you.

Ah....that felt good, now on to the next rookie...our new C.O....2nd Lt Woody....or Lt. Woody for short. In the USMC, a 2nd Lt. is usually a 90 day wonder who shows up and takes charge except he doesn't know what he's really doing or who's really in charge....I figure to give it a month and he'll realize the inmates are in charge of the asylum here at Pleasanton North Rotary....then everything will get back to normal...so give the rook a chance....he's a real nice guy and at worse he'll honor us occasionally by bringing Teddi around once in a while! Good Luck Sir!

Okay, something from the web. Strange things pop up on the web all the time but this one takes the cake. Apparently someone (someone with a whole lot of time on his/her hands...) decided to fold a twenty dollar bill a couple of different ways and if you do it just right....the Pentagon and the World Trade Centers appear as they did right after the attacks on 9/11. As I said, it's really strange but interesting nonetheless...<http://www.allbrevard.net/>

Ok, now I'll go dig up some money cause I'm sure either the exiting commander or the rookie's gonna take some today!

See ya
