CABARET AT THE COPA

Woody Survives Tax Season, Is Again Able to Lecture Us Without Mercy or Shame

We have our first results from the "Just-Get-One" request that I made at last Friday's meeting ...

...as a reminder we were informed that CABARET is closing in on a complete sellout... but Mike Christy let me know that if this week each of our members just focused on getting just one more couple to attend the "Copa" event, then this will be the best attended CABARET ever. With that in mind, Jim Ott was able to confirm 2 more attendees for May 3rd, (due primarily to PNR's Tulancingo Wheelchair efforts this year). As well, I was able to get another couple to commit to come, as has Susanso don't wait, try and rack your brain (don't hurt yourself, now) for just one more person, call them and add them to the list for a great party on May 3rd.

Editor's Prerogative: \$10 to the lady (well, heck, this is the Bay area, men can enter, too) who wears a hat with the best bowl of Carmen Miranda fruit and/or feathers to our event May 3 – you are automatically disqualified if you don one of Teddy's centerpieces --the editor's decision is final!

Cabaret, Oh Cabaret, Oh Cabaret...

is but a few days away

Last minute headlines:

1) Joel Grey has his agent pass on our offer to MC, says he's been there, done that. Mark Welch gets drafted instead.

2)

3)

4)

AND FINALLY

5) Alice Jones moves on to her...well, we won't go there, this is a family publication.

Fill in the blanks—I've run out of jokes.

Last Word from Mike Christy—*share his pain!*

“If we could just get 25 Rotarians to bring one more couple, we will have a sellout!”

And this just in from Woody...

The US Navy today announced that it has released a senior Al Qaida terrorist after questioning him extensively for 27 days while he was held prisoner aboard a US aircraft carrier in the Arabian Sea

In a humanitarian gesture the terrorist was given \$50 US and an automobile upon being released from custody.

The attached photo shows the terrorist on his way home just after being released by the Navy.

That’s a wrap, see you at the cast party May 3.... Be good
